RESEARCH

Nurturing Civic Dispositions through Participatory Theater Practices

- Writing a 70-page research paper analyzing the value of theater in developing civic dispositions in young people.
- Designed and implemented a free, 10-week theater program for local Worcester youth between ages 9 and 13.
- Recruited 8 youth to participate in the program culminating in a final showcase of learning for families and friends.
- Successfully received IRB approval for research; collected field notes and conducted 4 interviews about student experiences in the program.

EXPERIENCE

Theater Faculty **January 2026 - ongoing**

[Apple Tree Arts](#), Central Massachusetts

- Design and execute theater curriculum for seven-week programs, facilitating weekly two-hour sessions with 8 youth at North Street Elementary School.
- Design and execute theater curriculum for seven-week sessions, facilitating weekly two-hour sessions at an elementary school with youth.
- Facilitated the youth-centered creation of a final performance to showcase what was learned for families and friends.

DEVIN MOSS

(917) 504-9093 | DMoss@clarku.edu

Little Center Office Assistant

January 2025 - ongoing

Clark University Theatre Program

- Provide comprehensive administrative support to the Faculty Chair and department professors
- Prepare instructional materials and technical scripts.
- Design promotional materials for auditions, productions, and workshops to enhance program visibility and student engagement.

Theater Specialist and Program Supervisor

Summer 2022, 2023, & 2025

Shire Village Camp, Cummington, Massachusetts

- Directed and produced two theatrical productions each summer.
- Instructed campers in hour-long sessions throughout the day and planned special program days for 80 children.
- Produced an end-of-summer area report with a program overview, inventory, and recommendations for future specialists.
- Worked closely with the Program Director to plan engaging and adaptable activities for kids of all ages.

Youth-Facing Intern

Fall 2024

Instituto Nueva Escuela, Puerto Rico

- Collaborated with administrators to design and implement instruction in the schools' community gardens.
- Facilitated student involvement in community gardens weekly in an elementary school and a high school.
- Wrote weekly [blog](#) posts reflecting on my experience.

Woo-Labs Hanover Fellow

September 2023 - August 2024

Worcester Education Collaborative, United Way of Central Massachusetts

- Completed Project Based Learning (PBL) training to promote students' social and emotional learning skills.
- Developed and executed three weekly lesson plans at the Boys and Girls Club of Worcester for kids ages 8-13.
- Collected Woo-Labs measurement data, including student attendance, parent/guardian consent forms, and student and staff surveys.
- Created an in-depth PBL handbook for future fellows to aid ongoing program success.

Assistant After-School Teacher

October 2022 - May 2023

Boys and Girls Club of Worcester

- Led games in groups of 10-40 kids ages 5-14.
- Facilitated and assisted elementary schoolers' homework.
- Completed miscellaneous supervisory and administrative tasks; distributing snacks, greeting parents, and planning activities.
- Mediated emotional and behavioral conflict between kids.

DEVIN MOSS

(917) 504-9093 | DMoss@clarku.edu
